Destiny & Dominion Youth and Family Services (DDYFS)

What is DDYFS?

**It is a Multifaceted Youth and Family
Counselling Outreach Centre.**

**It is equipped with
Specialized Programs and Trained
Professional Counsellors**

Mission Statement

DDYFS provides therapeutic counselling by trained Professional Counsellors. The programs are designed to foster changes in thought and behavioural patterns, while collaborating with individuals, to achieve their highest personal potential.

Vision Statement

Our vision sees clients, completing our program, renewing their minds and ready to function optimally. This is made possible by professional counsellors, challenging the mindsets of clients and relevant practical life applications.
