DESTINY & DOMINION CHRISTIAN EDUCATION DEPARTMENT

## YEAR 1

**The Spirit - Filled Life** teaches students how to resist the “works of the flesh” that hinder their growth in godliness and how to live the Spirit-filled life - hearing God's voice and following Him wholeheartedly as a living sacrifice.

**Knowing God Through His Word I** is vitally important for spiritual growth. This course teaches believers a systematic approach to studying the Bible that empowers them to increase their knowledge of God and to move from being hearers to becoming doers of the Word.

**Knowing God Through His Word II** is a journey of discovery that enables the learner to discover what God has revealed about Himself in each book of the Bible.

**The Power of Prayer** explores the biblical basics of prayer, demonstrating its relevance for all believers as a tool designed by God Himself to enable His children to partner with Him in the execution of His will on the earth.

## YEAR 2

**Faith: The Word Made Flesh** teaches believers how to experience the power and provision that is available to them in the Kingdom of God, as they learn to walk by faith and not by sight on a daily basis.

**Holy Spirit and His Gifts** explores the power of the early church and teaches believers how to experience the fullness of God's power in their own lives by operating in the realm of the supernatural!

**Prosperous Living** teaches the truth about the laws that govern biblical prosperity. Believers will be empowered to experience prosperity in every area of their lives.

**The Gift of Righteousness** highlights the spiritual blessings that believers received when they were born again. This course teaches believers how to live the abundant life that is fully pleasing to God and that honours and exalts the Lord Jesus Christ.

## YEAR 3

**Born to Reign** teaches believers how to live as citizens in the Kingdom of God, right here and now. They will learn about the power of the Kingdom of God within them and about God's desire to manifest His Kingdom through them as a witness to the world.

**Understanding Our Covenants** is designed to strengthen the believers' appreciation for the biblical inheritance that has been provided for them through the Abrahamic Covenant and the New Covenant established by Jesus.

**Jesus: The Living Word** explores the Sermon on the Mount to review the heart of Christianity as Jesus Himself communicated it at the beginning of His ministry.

**Acts: The Church in Action** explores the lives of the disciples in the book of Acts and the growth of the church to bring practical application to the local church and to the lives of Jesus' 21<sup>st</sup> century disciples.
